1. At 0.00 hours on 9 June, the harbors of Sassnitz, Binz, Wolgast, Peenemuende, Barth, Wiek and Eldena near Gräffswald were declared restricted areas. Residents of these towns are required to have special stamps on their identity cards. Civilian sea-going vessels and fishing boats are not allowed to remain in front of the harbors before and after sunset at the risk of gun firing.\*
2. It is also reported that all Soviet naval units in East Germany will engage in maneuvers, together with the Seepolizei, between Wolgast and Danzig in the beginning of July.

\* Comment: The order, which expressly excludes the harbors of Stralsund and Greifswald, is connected with the declaration of restricted areas along the zonal border.
